

Please substitute the enclosed paper copy and computer readable form of the sequence listing.

**REMARKS**

Applicants respectfully submit a substitute computer readable copy and paper copy of the sequence listing. The substitute sequence listing is provided to correct inadvertent typographical errors that appear in SEQ ID NOS: 3 and 4 in the sequence listing previously submitted in connection with the parent case, Serial No. 09/051,843 and adopted in this case on October 13, 2000. The substitute sequence listing (enclosed) is identical to the paper copy of the sequence listing filed in the parent case on October 23, 1996 and reflects the addition of SEQ ID NOS:9-11, submitted on February 3, 2001 in response to an official communication dated January 5, 2001 in parent case, Serial No. 09/051,843. No new matter has been added.

It is respectfully requested that this Preliminary Amendment be entered in this application prior to examination. Early and favorable consideration is requested.

Respectfully submitted,
